GUINEVERE AND THE KNIGHT

She, the lady, was born to rule the castled winds, and in turn to be ruled by other winds, desire's winds. And he, the knight, born to bow the knee to fealty and to love, was the errant gallant of her passions. And when he raised her in his arms, the green fields that bound her fell away a thousand leagues and more, and vanished to that place of dreams where the unicorn's glance vanquished all that kings and men knew to be real: time and tempered swords and dragons' flames. And when they kissed, the woods and vaulted boughs sighed their names and hushed the world.

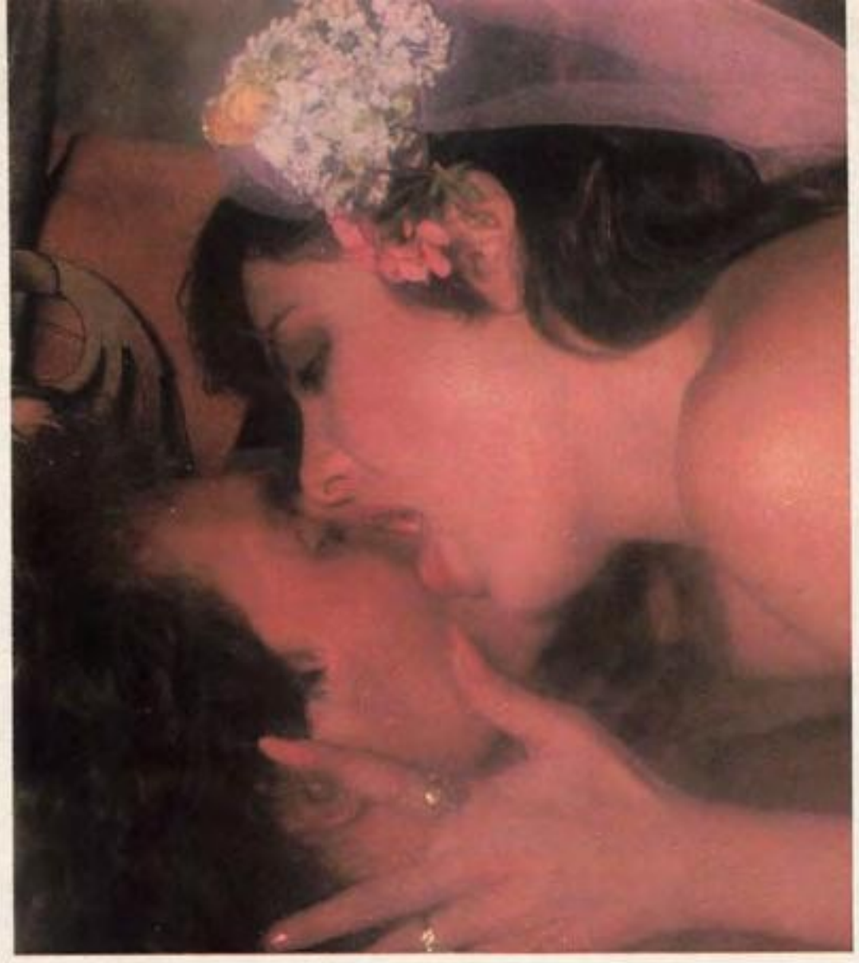
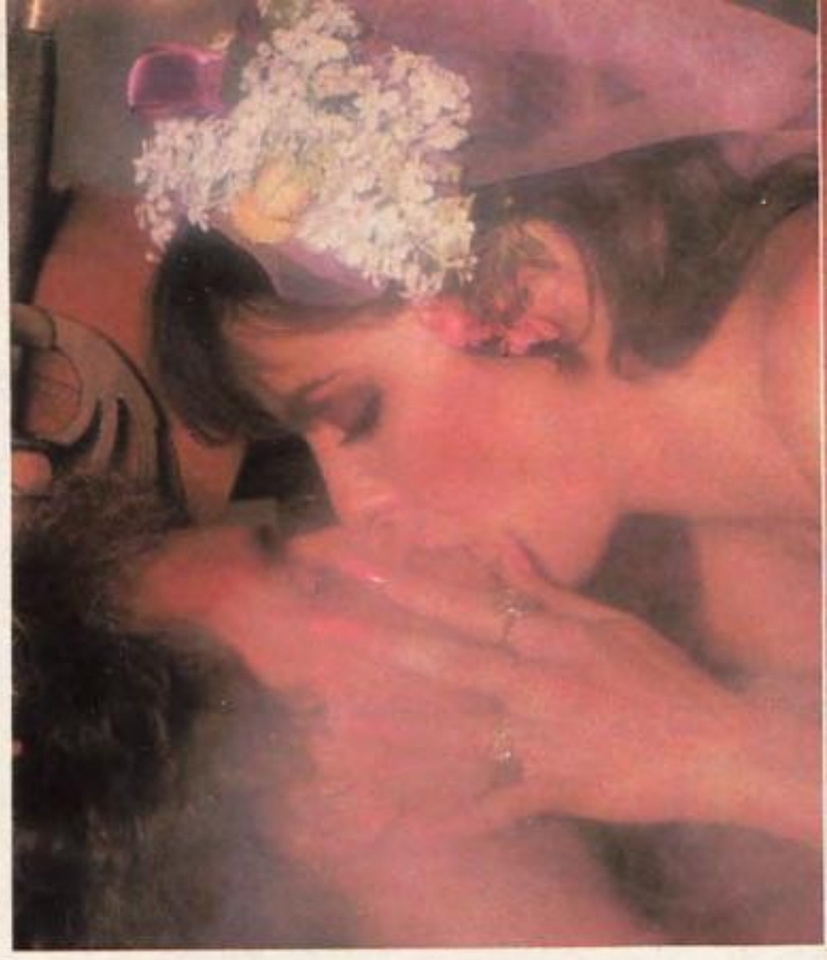
Hard fortress stone
and the pressing
cuirass of his breast
against hers. Then
all softness—a
queenly mount—
and the wind itself
within her.





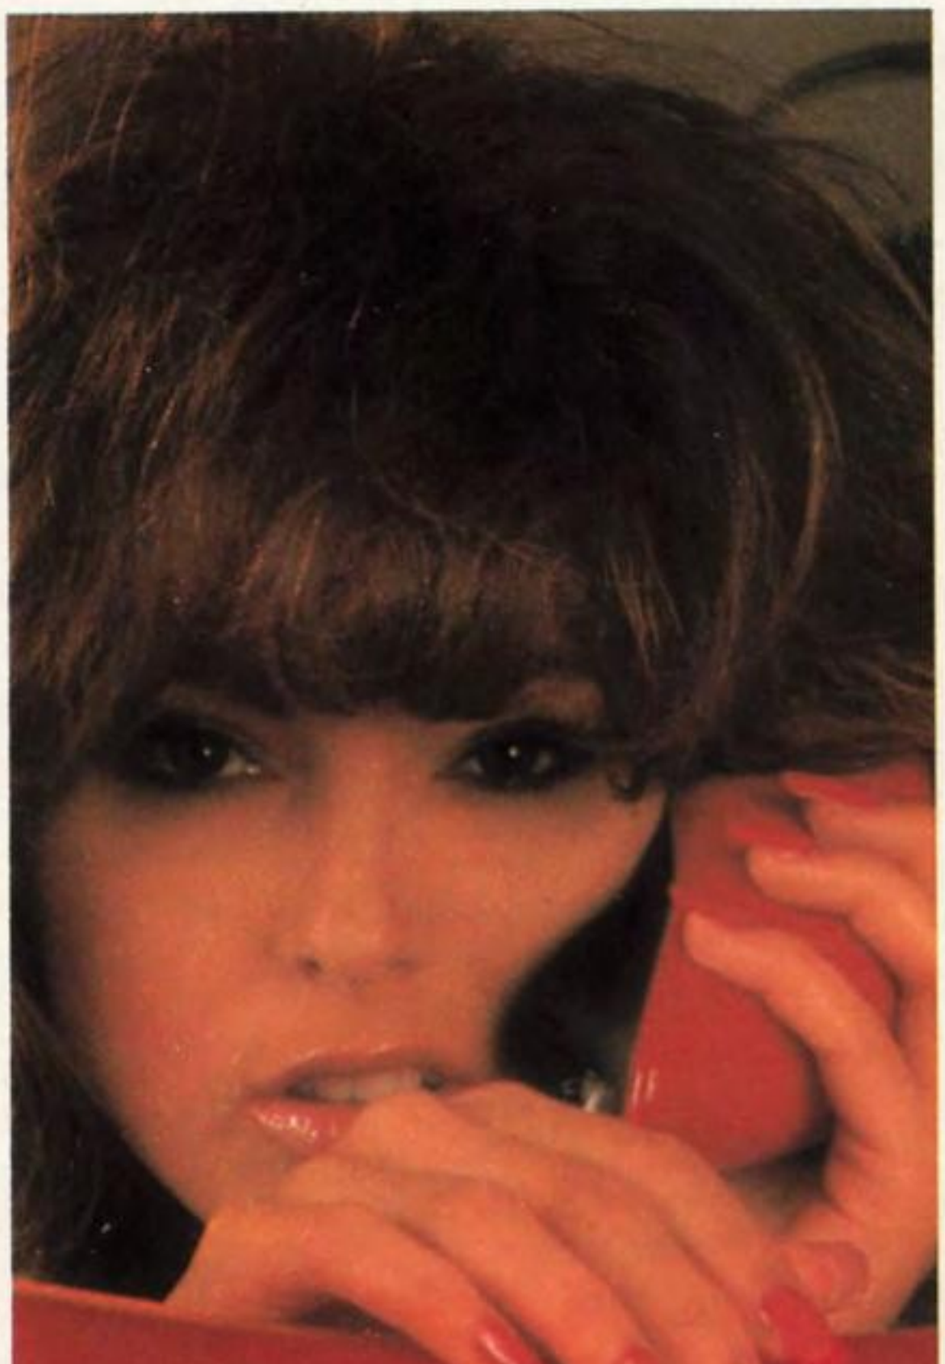
Mouths for this were meant, not for morning prayer; hands for this, not for grasping blood-tipped lances in violent tournaments.

She surveyed her domain from on high. Then other glories came to sight. Her flesh was his, and his was hers.

The winds subsided, and whispered
words of lady and knight were answered by
starlings on their westward way.
Those winds, the lady knew, would return, like
starlings, with the magic dawn.

SUSAN

"I love to party and let loose without getting into too much trouble. I especially enjoy doing things that are only slowly becoming socially acceptable."



THE UNDERGRADUATE

PHOTOGRAPHS BY CARL WACHTER

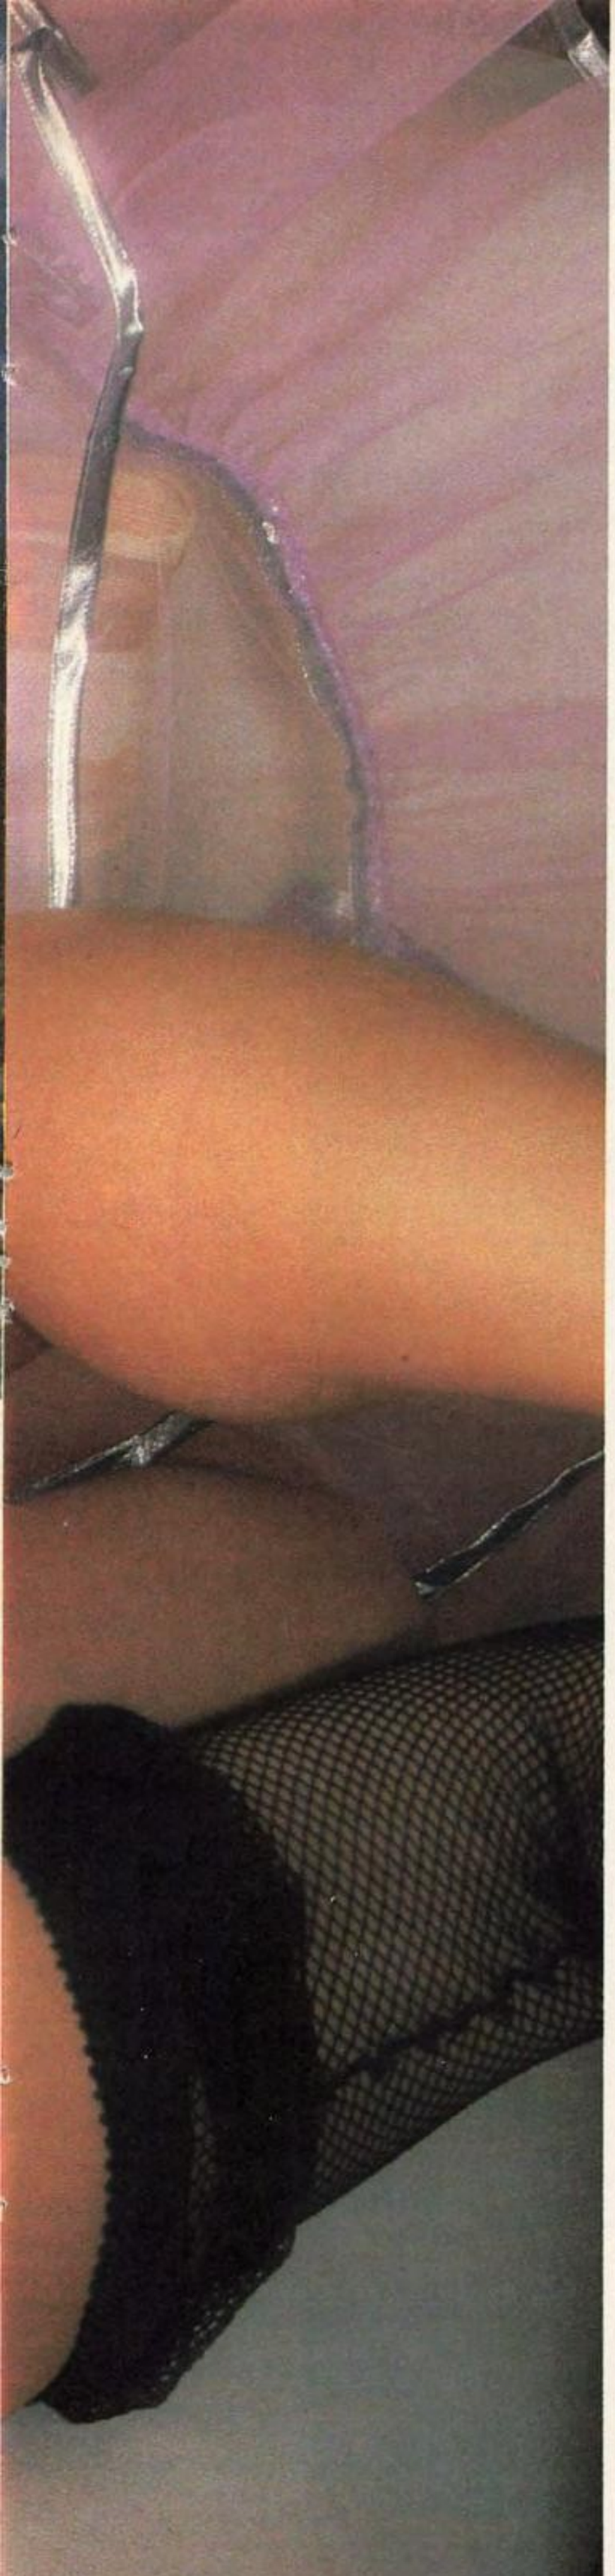
This month's Penthouse Pet is sizzling and sultry Susan Napoli, a psychology major at Northern Illinois University. This brown-haired, doe-eyed beauty is a New York State native who has lived in cities all around the country. Being in *Penthouse* is a dream come true for Susan. "When I was a young girl, I remember how often people would criticize my looks. I was short, flat-chested, and wore braces, and my glasses made my eyes look too big. To be chosen for *Penthouse* is a personal accomplishment that I take very, very seriously."

CONVERSE
ALL STAR

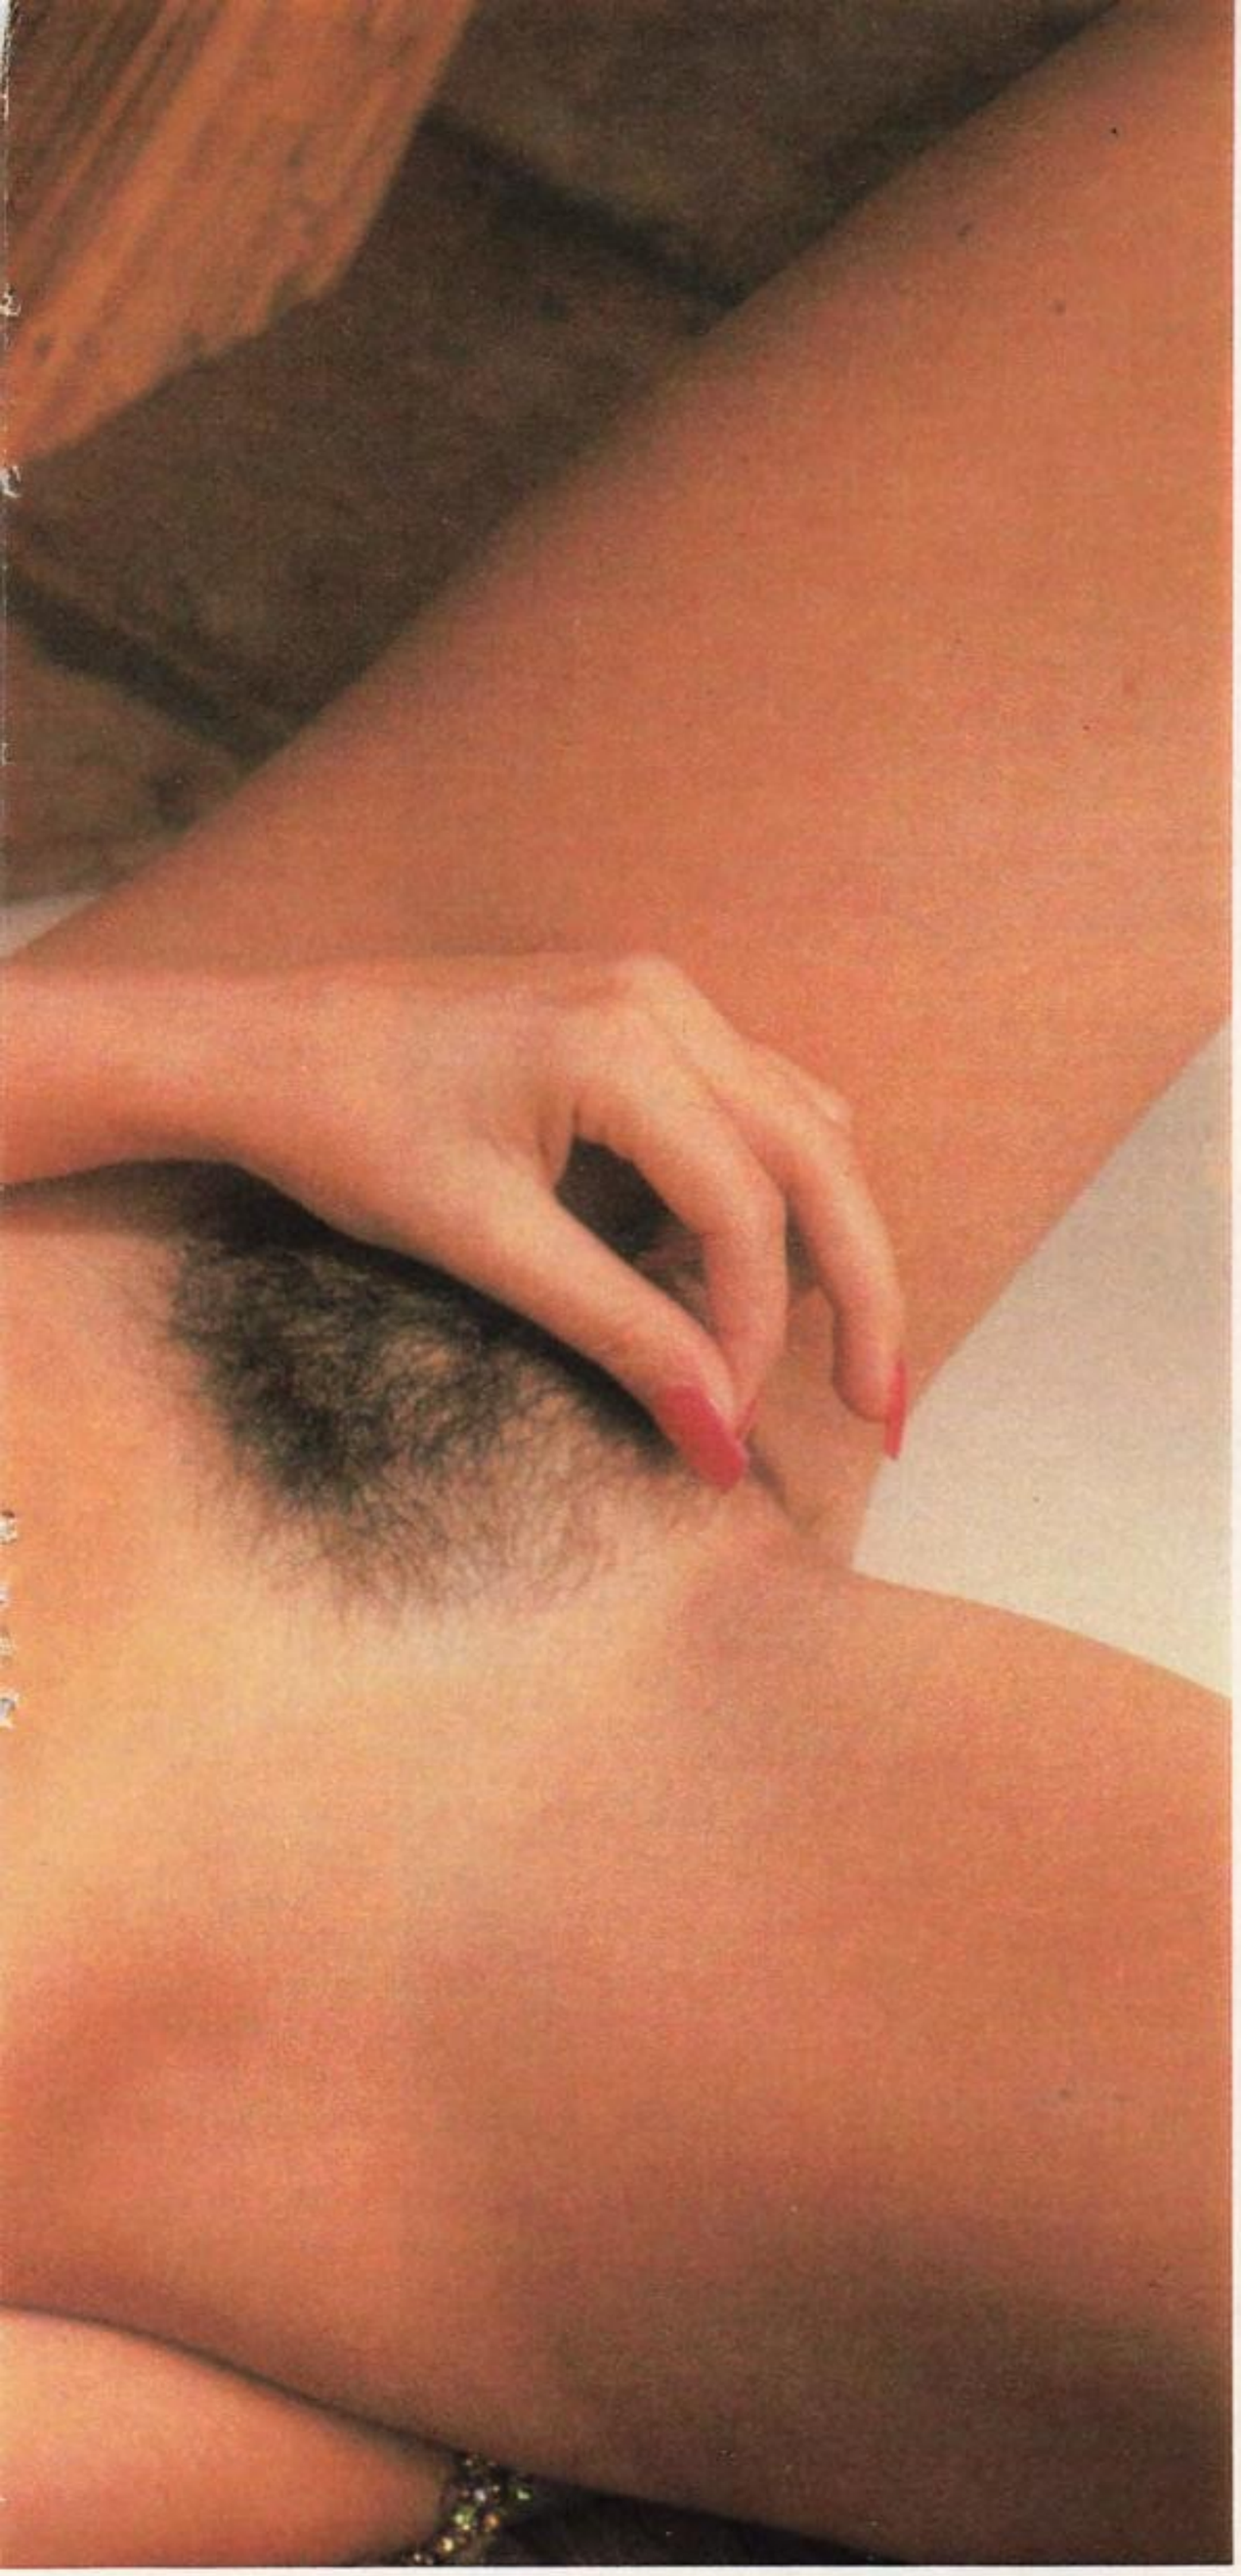
Hair and makeup by Bobby Flint, Hollywood, Calif.; wardrobe courtesy Fireworks, Venice, Calif.

While this curvaceous 35-23-34 coed has the noble career goal of helping to rehabilitate delinquent children, she also blushingly admits: "My mind is not always filled with the purest thoughts. I love to party and let loose without getting into too much trouble. I especially enjoy doing things that are only slowly becoming socially acceptable."

"I am looking for a guy who will smother me with affection."



Susan also loves to flirt with strange, unsuspecting men by turning them on only with her beautiful brown eyes.



There is no special man in her life right now, but she says: "I am looking for a guy who will smother me with affection, but not to the point where I will have him wrapped around my little finger."

Susan hopes *Penthouse* readers will enjoy looking at her pictures as much as she enjoyed posing for them. We think that when the grades are in, they'll all be As.

ANTONIA

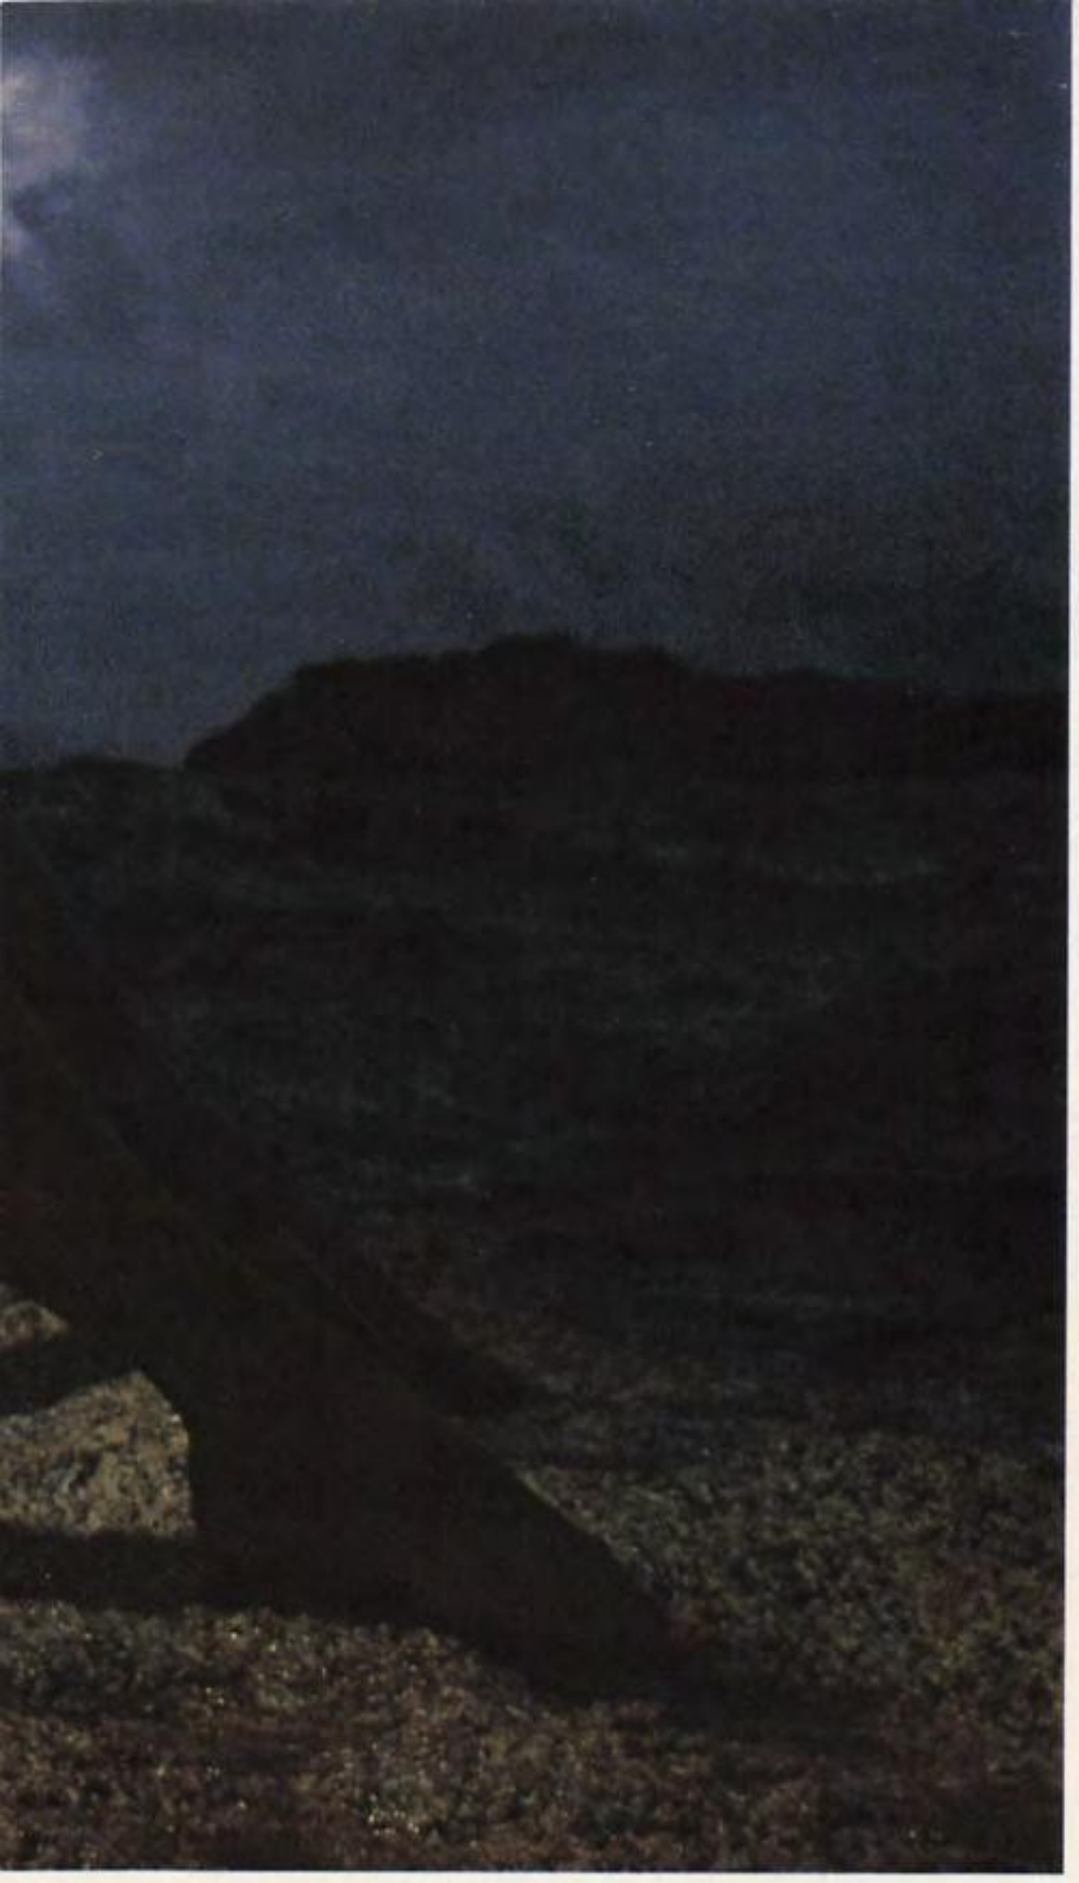
"More than anything, I would love to be a female Charles Bronson type. There's no doubt in my mind that I could play a tough-guy role."

Pet of the Year

RUNNER-UP

In the nip and tuck contest for *Penthouse*'s Pet of the Year, runner-up Antonia Larsen proved once more that beauty is truly in the eyes of the beholder. Thousands of admiring, keen-eyed readers cast their votes for this stately and sensuous, half-Scandinavian, half-Italian beauty, causing Publisher Bob Guccione to establish a new and permanent "Runner-Up" category in the Pet of the Year contest. For "Toni," it has truly been an exciting year, culminating in thousands of dollars' worth of gifts and prizes, pictured on page 122. "Since my photos appeared in February 1984," Toni exclaims, "I have been overwhelmed by the response from readers. Every day, letters come in from all over the world, letting me know how much pleasure it gives them to look at my pictures." It comes as no surprise, therefore, that *Penthouse* readers have demanded one more glimpse of this sexy stunner.

PHOTOGRAPHS BY HANK LONDONER AND PAT HILL



Toni fondly recalls her mother's fears when she was an adolescent. "I was a tomboy growing up in New York. To survive you had to be tough, and I would get into plenty of fights. . . . However," Toni smiles, "I think she is very proud of how I've grown into womanhood."

Our five-feet-ten-inch, dark-haired beauty is pursuing an acting career. Toni is determined to star in major movies. Still the tough city girl, she tells us what her dream role would be. "More than anything, I would love to be a female Charles Bronson type. There's no doubt in my mind that I could play a tough-guy role as well as a man." Is there anyone out there who wouldn't line up to watch her in "Death Wish Part V"?

Toni wants us to know there is more to her than pleases the eye. "In the future, I plan to take advantage of my excellent acting and business abilities. I'm certain I would be a great advertising account executive," says the woman whose picture is worth a million words to us.

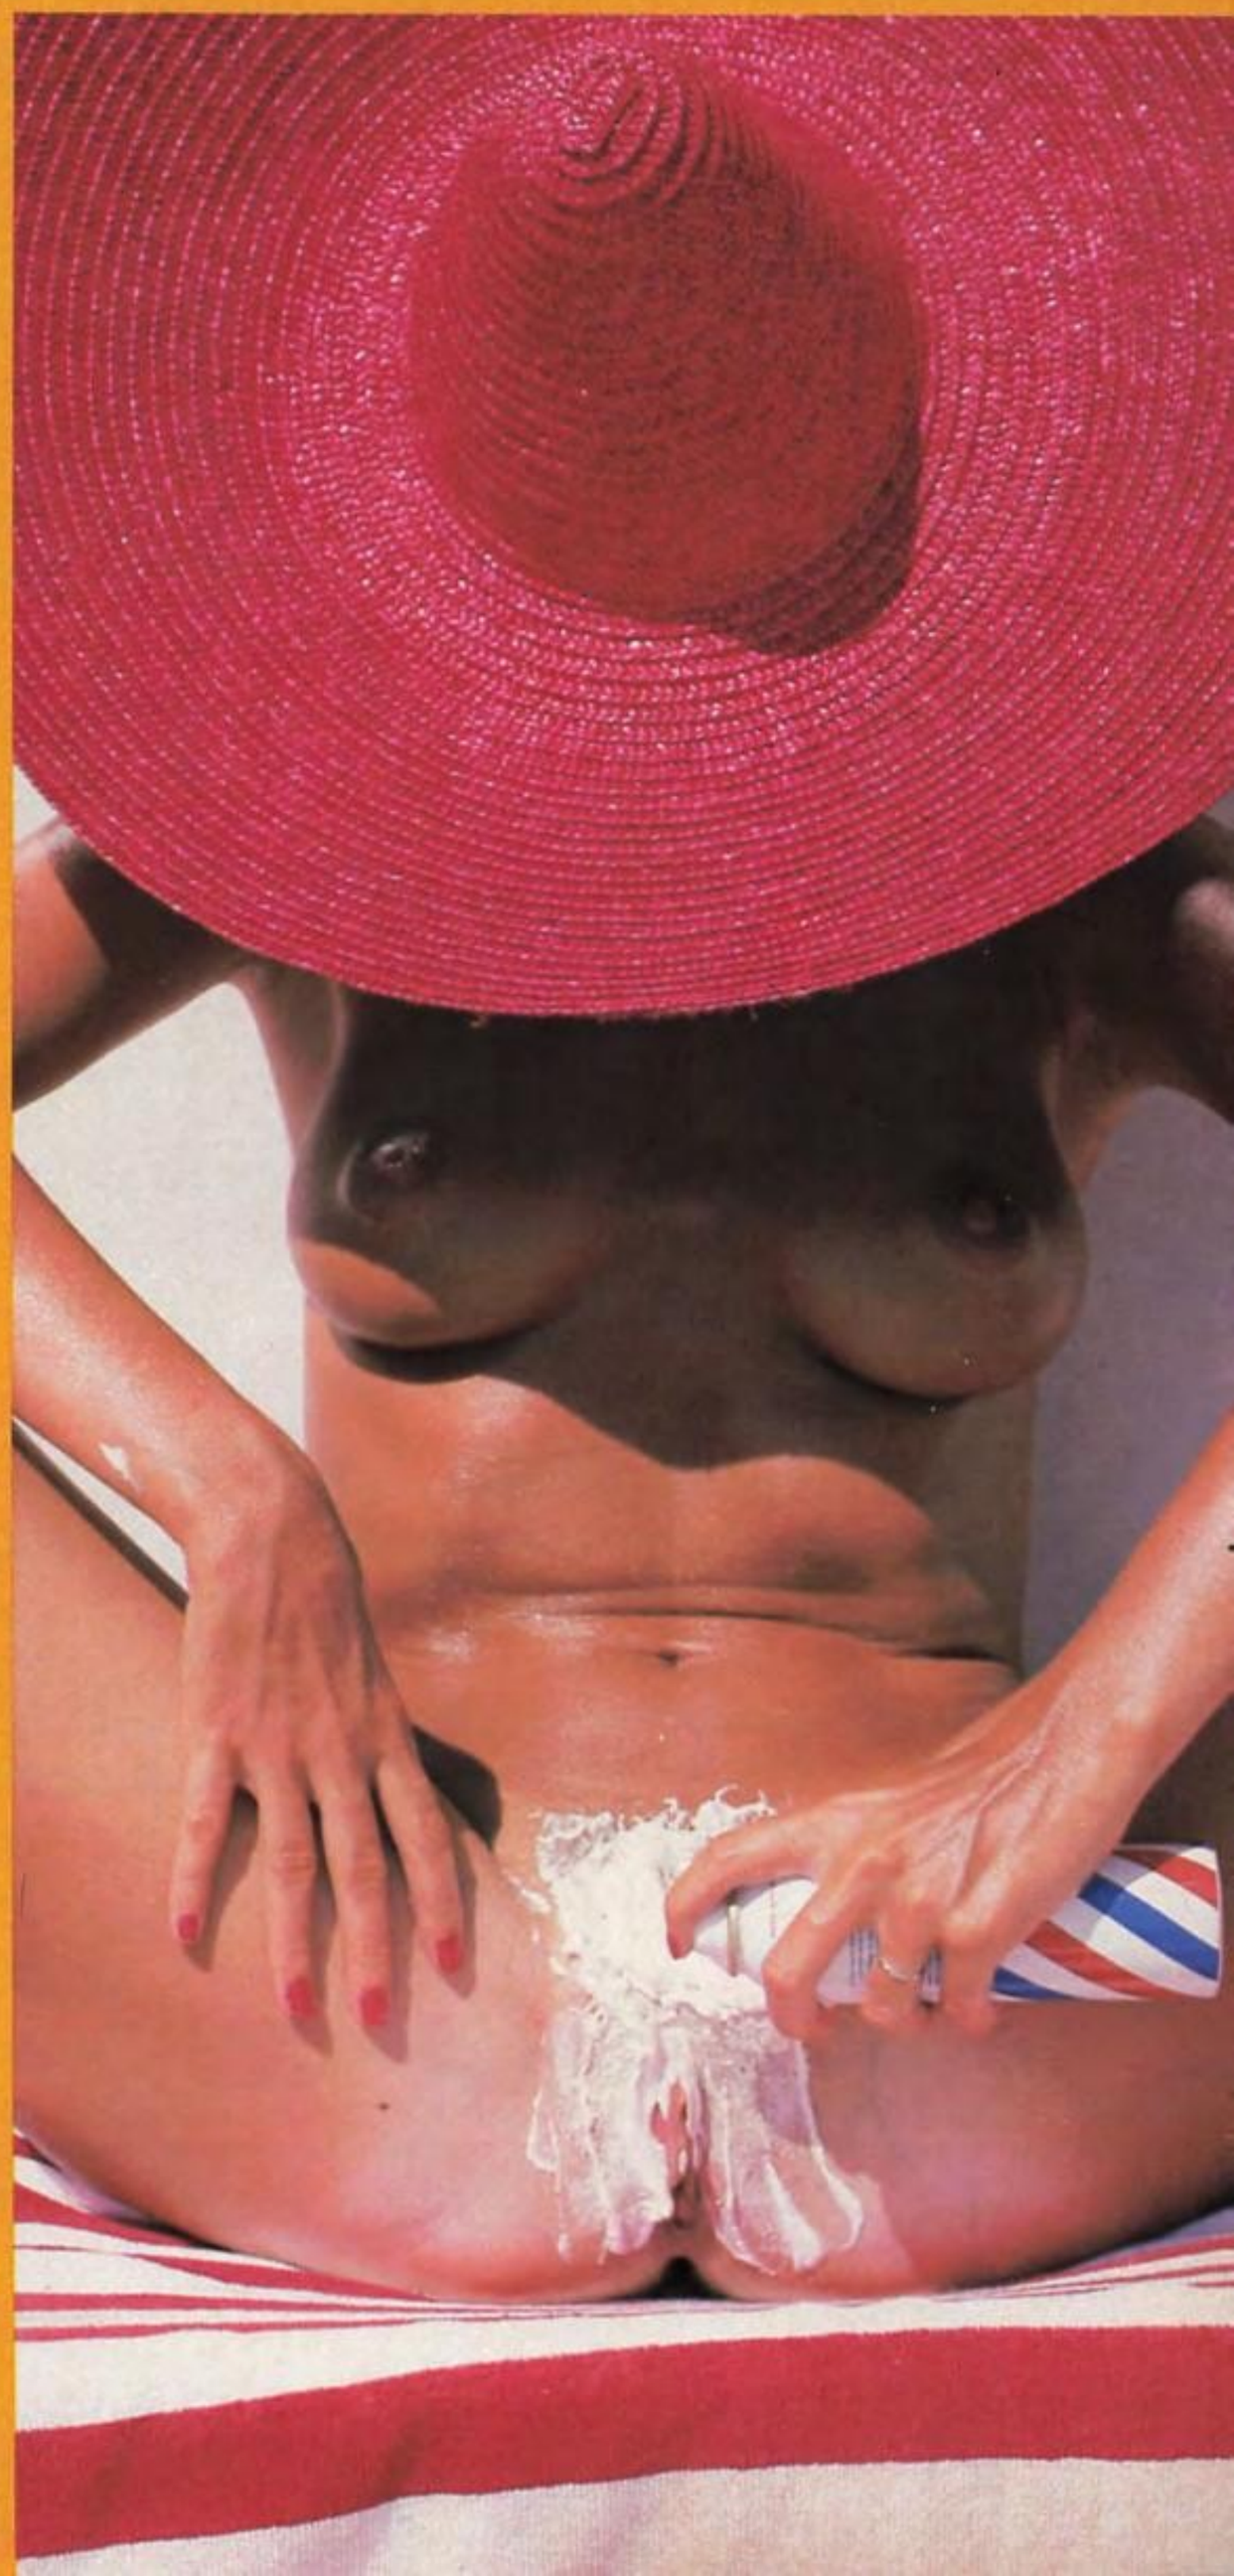
Call me kinky if you want," avers our mysterious young model, "but I get off on exposing myself in public. You can imagine what a turn-on *Penthouse* is, with its millions of eager, young, horny readers. I love it to death, but I have one problem—my face is fairly recognizable and I simply can't afford to be seen . . . particularly when I'm flashing everything I've got!"

"Sometimes I'll go for a stroll along the beach. It's late afternoon and people are leaving. I wear only a towel around my waist . . . a big, ankle-long bath towel that tends to open as I walk. When I know someone is getting a glimpse 'down below,' I immediately get wet. It doesn't really matter who sees me as long as I know they're looking."

Our inscrutable friend decides to shave her pubis for the camera. "Another 'gourmet' fantasy," says she, "like stripping myself really and truly bare!"

"Rather like baring your soul. . . . You purge yourself of every last vestige of personal privacy . . . and your body swells with fire."



A soft, plump pubis emerges . . . pink and hairless. "The last of my defenses is gone. Now I have to live with the reality of my own sexual being. There's nothing to hide behind. Look at my pussy and you look at me!"

WOULDN'T IT BE GREAT IF THE NEWS WE READ IN OUR PAPERS AND WATCHED DAILY ON T.V. WAS GOOD NEWS. EVERY DAY BRINGS MORE CARNAGE, MISERY AND VIOLENCE. OH, FOR A FEW DAYS OF JOY AND HAPPINESS! BUT NO, ONLY HUMAN MISERY AND THE PHONY POSTURING OF POLITICIANS IS NEWS! IF YOU'VE TURNED TO THESE PAGES FOR A BIT OF LIGHT RELIEF I'M SORRY WE CAN'T OBLIGE.....

LET'S WRESTLE SOME MORE!

BEST OF THREE THROWS, IGOR —WE'VE GOT TO KEEP WARM!

THERE MUST BE SOME WAY OF SPARKING SOMETHING OTHER THAN DEVOTION IN HIS BONY SKULL!

...THE HARSH REALITIES OF LIFE CONFRONT US WHICHEVER WAY WE TURN! THE PEACE AND TRANQUILITY OF TRANSYLVANIA HAS BEEN SHATTERED BY A COUP. THE HOUSE OF FRANKENSTEIN HAS FALLEN! VINCENT, HIS WIFE, ELEKTRA, AND THEIR FAITHFUL RETAINER, IGOR, ARE MOULDERING IN THE DANK AND SINISTER WATER DUNGEONS OF CASTLE DREER!

YOU REALLY MUST MAKE AN EFFORT, BARON. YOU MUSTN'T LET THE DAMP GET TO YOU!

I'M DECOMPOSING! I'M TURNING INTO A FUNGUS!

WE'RE ALL TURNING INTO FUNGUSES! NO—THAT'S NOT RIGHT...MY MIND'S GOING... FUNGI!

WE WILL NOT SEE THIS BRAVE LITTLE SOCIALIST REPUBLIC SACRIFICED TO THE PROFIT MOTIVATED AMBITIONS OF THE WEST!

ONE GREAT ADVANTAGE THE WEST HAS IS THE PRESENCE OF SWEET CHASTITY. HER APPEARANCE, DRESSED IN SIMPLE BLACK, ON THE PUBLIC PLATFORM WINS THE SYMPATHY OF THE WORLD.

AND I KNOW, DEAR FRIENDS — THAT THE PLIGHT OF THIS UNFORTUNATE NATION WILL TOUCH THE HEARTS OF YOU ALL!
